4.2.1 Library is automated using Integrated Library Management System (ILMS)

Our College Library is automated using Integrated Library Management Software (ILMS). Our Institution has developed MSPM ERP ILMS software smooth and efficient running of Library and Administrative Section. The library is fully computerized by using MSPM ERP (Version 2.0) from year 2017. This ILMS is used to manage library book collection. Bar Code technology is used in the library for issue and return of books. The software is useful for housekeeping operation of library like data feeding, bar-coding, Issue- return, OPAC, etc. In the COVID 19 pandemic period, less / limited access offline was there for students. However, students have open access to the library through online mode. All resources - both subscribed and free - were made available to the readers through library portal. The library portals have given all the details of library Collection, Facilities and Services, Best Practices, Syllabus, New arrivals in Library, Feedback Form and Book Requisition Form, etc. The Link is <https://killedharurcollege.in/facilities/library/>. The total collection of the library is 28115 books (in till date 31 March 2022), and has subscribed 20 Journals and Periodicals, 18 News papers per annually. Library has subscribed E-resources from INFLIBNET through the N- List Consortia. Also, Library has remote access of E-Resources from Dr. Babasaheb Ambedkar Marathwada University Library, Aurangabad. All faculty members have been provided their individual user ID and Password for the purpose of access E-Resources facilities. Library gives useful link of free E-resources and research networking sites on Library Portal. The college library was given E-content, Current Awareness Service, Selective Dissemination Service, Literature Search Service, Referral Service, and Reference Service through library blog. Library has provided blog usage history which is also available on the website. Library Blog has got huge response from library users. More than 30,000 users visited the library blog since July 2020. Its Link is <https://acselibrarydharur.blogspot.com/>. The Library has adopted QR Code technology for library attendance (Online footfall in library). Also it is implemented for N-LIST Consortia, Remote Access of E-resources, Library Blog, Requisition Form, Feedback form, Web OPAC, Library Portal, etc.
